Possible scam alert

Individuals are soliciting Town residents by telephone seeking donations for "The Montreal-West Handicapped Association". Such an association does not exist. The alleged fraud artists usually call from a blocked or private number. If a resident agrees to donating, they will inform the resident that someone is conveniently nearby and will come and collect.

Congratulations to our OPAM 2012 winner

Leia and Stanley Reinblatt of 217 Ballantyne Avenue North have received an award in the residential category of Opération patrimoine architectural de Montréal (OPAM) 2012, for exemplary preservation of their residence's original architectural features. Furthermore, their home has been nominated as one of the top 5 houses in the 'Maison coup-de-coeur' contest, in which Montrealers can select their favourite heritage home and can win a prize in the process. Don't forget to vote for your neighbours before November 12th at:

<http://www.operationpatrimoine.com/coupdecoeur.html>. The nomination further supports Montreal West's reputation for rich architectural heritage and the Town will continue to encourage the type of dedication for preservation that has been demonstrated by Mr. and Mrs. Reinblatt. Congratulations!
