### **Summer Children's Artist Showcase**

If you are or know an artist who is between the ages of 5 and 17 and are a Montreal West resident this is for you. The Montreal West recreation department is looking for talented painters, sculptures, collagists and general artists to display their work during the children's showcase at the Montreal West Town Hall this summer. If you are interested the application form can be found at [www.montreal-ouest.ca](http://www.montreal-ouest.ca) or you can contact Tammy Loftus at [tloftus@montreal-west.ca](mailto:tloftus@montreal-west.ca) or 514-484-1610. The deadline for applications is May 16<sup>th</sup>.

### ***Organic Waste/ Green Waste - Clarifications***

Please note that you ARE allowed to mix your green waste and organic waste in your brown bin and the Contractor will also pick up any extra green waste exterior of your bin as well. Organic waste disposal sites do not accept plastic bags of any type, even those that are biodegradable or compostable. Grass, leaves and any other green waste should be placed beside the bin in reusable containers, such as regular garbage bins (lids off), cardboard boxes or paper gardening paper bags, and not weigh more than 22.7 kg (50 lb). There are no more Friday pickups, only Tuesday pickups. For any bins that were not picked up or issues please email Chris Kearney at [ckearney@montreal-west.ca](mailto:ckearney@montreal-west.ca)

### ***Montreal Westward Rotary***

Montreal Westward Rotary invites you to our luncheon meeting Thursday May 8<sup>th</sup> to hear a talk on: The Future of the Montreal West Children's Library. Our speaker will be Tanya Radhakrishna, Vice-chair, Board, Montreal West Children's Library. Our weekly meeting is at the Montreal West Town Hall. The luncheon buffet will be served at 12:30 PM before Tanya's presentation. We can welcome 30 guests on a first come basis. Please reserve by E-mail to [doug@westendpiano.com](mailto:doug@westendpiano.com). The cost of the meal is \$20.

Rotary is always happy to welcome you to our luncheon meeting every Thursday 12:30 PM at the Town Hall. If you wish to join us for an excellent meal with an interesting speaker, the cost is \$20. We hope you will join us to learn about Rotary's local and international projects, to have fun and to meet professionals from all walks of life.

### ***Montreal West Code Red Automated Emergency Call system***

In the event of a major emergency, be informed!

The Town of Montreal West has now implemented an automated emergency notification system called Code Red. In the event of a major emergency, the Code Red system will provide the Town with the ability to reach and inform residents of a potential danger within minutes. The system is capable of transmitting millions of messages per hour. Residents would receive important information including possible procedures to follow by telephone, email and SMS text messages. Potential emergencies can be major fires, gas leaks, environmental disasters, road closures, evacuation notices and water supply problems such as boil water advisories. The Town can use this system to notify the entire Town at large or to pinpoint a single street or area in order to only notify the affected residents of a water supply problem due to a water main rupture.

Do you only have a cell phone at home, is your number not listed in the telephone book or have you recently moved to Montreal-West? If so, please click on the following link to

add your information to our database.

<http://tinyurl.com/Montreal-West-Code-Red>

In order to take full advantage of this system, we encourage all of our residents and merchants to visit the above link and add secondary phone numbers, cell phone numbers and email addresses to the data base. By doing so, you will be able to receive text messages, emails and a phone call should you be away from your home during an emergency. The current Code Red data base only contains listed land line telephone numbers in our Town therefore, participation from residents is paramount in order to ensure the system's success. If your phone number is not in the database, you will not receive an alert message. Smartphone users are encouraged to provide an email address.

Please note that you will see 866-419-5000 on your call display should an emergency called be made to you on behalf of the Town.
