

# Information session

Works to upgrade the electrical system near the Côte-Saint-Luc substation

**Spring 2026**

Hydro-Québec is inviting you to an information session on the projects to upgrade the electrical system near the Côte-Saint-Luc substation. These projects aim to increase energy capacity and improve service quality in the area.

The meeting will take place on April 16 at 7 p.m. On this occasion, Hydro-Québec representatives will present the projects and also answer your questions. Please note that the power outages that occurred last January will not be addressed during the meeting.

## The projects covered include:

- the site restoration following the dismantling of a transmission line (Marc-Chagall Avenue): May–June 2026;
- the construction of the new transmission line: from May 2026 to September 2028;
- the reconstruction of the distribution network in the Merrimac Road area: spring 2026; the reconstruction of the distribution network in the Banting and Emerson Roads area: 2026–2027;
- the development of the energy transmission corridor along the King Edward Avenue axis (Côte-Saint-Luc and Côte-des-Neiges–Notre-Dame-de-Grâce): 2026;
- the reconstruction of duct banks and access shafts (Heywood Road and Cavendish Boulevard): 2026;
- the expansion of various access shafts: 2026;
- the voltage conversion of distribution power lines: 2026.

## Information session

The information session will be held online via the Teams platform on April 16 at 7 p.m.

To take part, [click the link](#) or visit the following address to access the session link: [www.hydroquebec.com/aqueduc-saraguay/en](http://www.hydroquebec.com/aqueduc-saraguay/en).

Prior to the session, you will be able to view the presentation in French and English and send us your questions by email at [affairesregionales@hydroquebec.com](mailto:affairesregionales@hydroquebec.com).

During the session, you may ask questions in the section provided for this purpose. Simultaneous interpretation may be enabled on your device.

The session will be recorded and posted at the same address afterward.
